Apparently due diligence is not your strong point.

The NED is given by Pukes HR, read the fine print at the bottom of that webpage, Barbie is 'cough cough', head of HR. Do you think NED pulled those titles out of their ass?

Don't bullsht me about emails regarding Howard Geller and Papa Joey. Don't try and bullshit me, you are NOT going to by ANY stretch of the imagination intimindate me...

Do I need to state the above in Russian so you feel like you are at your other office.

No one in the public knows the name Stephanie, she is immortalized forever as Barbie!!

Your asinine response now gets you immortalized in watchdogs.... Thanks for giving me the ammunition ...

I want the emails!!
