Subject: Job posting
Date: Thu, Oct 8, 2020 8:46 pm

Barbie Baby,

It APPEARS that you AREN'T posting job opportunities on your website.

Like right now, you have postings for electrical engineer and financial analyst.

Seems NOBODY has seen the posting for Ass GC that Jill Davis applied for....was she JUICED in because she had ties with Dallas, from working at Legal Aid?

You KNOW if you don't respond, this will be added to WatchDogs...

“With every action/decision there could be major consequences. Always make sure that you have the fortitude to weather the storm that’s the direct and proximal result of your action/decision.” – Angel the Activist
